

## Peppermint Pretzel

An easy treat that is fun to give away!

### Ingredients

- 60 pretzel rings
- 60 Candy Cane Hershey kisses, unwrapped
- 60 chocolate chips (I used Nestle red/green morsels)

### Instructions

1. Lay pretzels rings on parchment paper lined baking sheet. Put one hershey kiss inside each ring (if it doesn't fit perfect that is okay, it will melt).
2. Bake in a 200 degree oven for about 4 minutes. Press chocolate chip on top of kiss. Allow to cool and set one hour. Store in air tight containers!
