

Sweet and Spicy Bacon

What you'll need:

- 1 tablespoon light brown sugar
- 1 teaspoon chili powder
- 1 teaspoon black pepper
- 6 pieces – thick sliced bacon

What to do:

1. Preheat oven to 375 degrees. Into a small bowl mix: sugar, chili powder and black pepper. Set aside.
2. Spray a rimmed baking sheet with cooking spray. Arrange bacon sliced onto baking sheet making sure slices do not overlap. Bake for approximately 8 minutes. CAREFULLY flip bacon slices and sprinkle sugar/pepper mixture onto slices. Return to oven and bake for an additional 8 minutes.
3. Transfer bacon slices to a cooling rack and allow to cool completely.
